A Message from the Premier of Saskatchewan

On behalf of the Government of Saskatchewan, I am pleased and proud to extend my best wishes to the Vietnamese Canadian Federation (VCF) as they work towards the establishment of the Vietnamese Boat People Museum.

Through the years, our country has been immeasurably enriched by those of Vietnamese descent. The history of the Vietnamese community in Canada is one well worth preserving and commemorating, and this museum project is a wonderful chance to celebrate and learn more about some of the remarkable stories of Vietnamese Canadians.

I would like to commend the VCF for their considerable efforts in sharing Vietnamese culture with all Canadian residents. We are truly fortunate to live in a proudly multicultural nation, and to learn and benefit from such varied backgrounds and histories.

Please accept my best wishes for continued success in all your further endeavours.
